### Monday, 12th July

We are aware that children and parents may be staying up late to watch the football final. To acknowledge this wonderful achievement - history in the making - we are having a slightly flexible arrival to school on Monday. School will still commence at the usual time but we are going to have an extra optional staggered time for football fans!

Both sets of gates will be opened up again and staff will greet you. The children will not be marked in as late. We are also going to have an own clothes day. This provides the children with the opportunity to wear their football kits or obviously any other clothing suitable for school. Year 3 & Y5 will be having PE on Monday, please can I ask that they wear trainers.

Reception & Year 1 <b>10.00 am</b>	Year 2 & 3 <b>10.05 am</b>
Year 4 <b>10.00 am</b>	Year 5 <b>10.05 am</b>

We will also be providing an ice lolly treat for the children. Please can I ask parents to provide a treat if their child has food allergies - Mrs Duke is available if you want to talk this through with her.

As I am writing this, I am very aware that Year 6 are missing out. I am so sorry, children, that you will not be part of this day but at least you can wear your own clothes at home, sleep in late and have a treat at home; we will keep your treat for when you return on Friday. Hopefully, you will all be able to chat with each other, as I know that you have group chats and you have already organised Zoom/Team Meet etc..

**ARE WE BRINGING IT HOME?** - Year 6 have been asking me this question every day in school - Let us pray 🙏

Please can I remind parents, that we do not have birthday treats brought into school to share with their friends. Although this is a kind gesture, due to some children's personal food allergies, we sadly cannot facilitate this. Other options - parents have met their child outside school at the end of the day, and given treats to their friends with the parents permission - thank you for your support.

### Beacon Fell Forest School

Year 3 thoroughly enjoyed their forest school experience at Beacon Fell on Thursday, spending time in the outdoors, under the shade of the tall pine trees. The children took part in forest school related activities which included a guided walk up to the summit. They learned about the local area, plant life, den building as well as team building games and activities. It was lovely to see the children out in nature and I hope they took away something new from the experience. [Check out the Year 3 class page](#) for an array of fabulous photographs of the day

### Moving up Afternoon

Moving up afternoon will be on Thursday 15th July. As Miss Greenhalgh is not in school, Year 5 will have the opportunity to have time with her when she is back on Friday 16th.

### Year 4 Trip to Bring Yer Wellies

We look forward to hearing all about the Year 4 trip that took place today - we pray for fine weather.

# HEAD TEACHER AWARD

## CONGRATULATIONS

Congratulations to Ciara, from Year 4, as her and her team mates from BJFF U10 girls cycled 32km with a combined total of 382km (the equivalent from Bispham to Wembley) to raise funds for their football team. The total amount raised was £1149.84. Understandably, all the girl's parents and the St Bernadette's family are very proud of their achievement - well done girls!
