Parent Consultations

Thank you to everyone that took the time to receive a phone call from your child's teacher to discuss their progress. I appreciate that some parents were disappointed that we could not hold the Parent Conference face to face.

As I discussed in my earlier correspondence, our rates have been escalating for a few weeks amongst staff and children. Therefore, we took advice from Public Health and cancelled all assembly gatherings, encouraged parents to LFT their children and kept visitors into school to an absolute minimum. These precautions will be in place until after Easter to minimise the risks, break transmission and prevent us from sending home classes to complete their learning on line or worse, that we have to close the school; I am sure you can appreciate that this would affect many families and in particular the children.

It is our intention to invite parents into school in the summer term so you are able to look at the work completed by your child together and share in their learning.

Holy Week

During Holy Week, Years 3,4,5 and 6 traditionally gather to depict the important story of Easter.

Years 3 and 4 will video their assemblies and we will upload them onto the school website during the last week.

Years 5 and 6 will lead the Passion of Christ Mass, in church, on Wednesday 13th April@ 9.30.

Year 6 Borwick Hall Trip

This week, all Year 6 Parents have been emailed out a link to complete a Google Form for parental consents throughout the trip to Borwick Hall. Please can these forms be completed by no later than Monday 25th April. Thank you.

St Bernadette's Church

Everyone is welcome to Mass for the fifth Sunday of Lent, led by our children.

This Sunday, 3rd April 10am.

Followed by refreshments in the Parish Hall.

International Resilience Revolution Conference - Winter Gardens

This week, our Resilience team; Lily G, Gabrielle HS, Gracie P, Verity J, Teighlor S & Charlie J, attended the International Resilience Revolution Conference at the Winter Gardens new conference centre. The children learnt about how the Resilience Revolution started in Blackpool. They joined in with a session showing how schools can bring Shakespeare into schools, watched a performance by pupils from Highfurlong and found out about the open mic - young people doing stand up comedy. Their favourite workshop was working with a professional cartoonist.

The children were, as usual, a credit to St Bernadette's.

Year 6—RoadSense Workshop

On Thursday, Lancashire Fire and Rescue Service visited Year 6 to deliver a workshop on RoadSense. As Year 6 pupils become more independent and move on to secondary school, they will increasingly take on more responsibility for their own safety when travelling.

The session covered:

- The importance of wearing seatbelts and using appropriate car seats;
- Safe cycling including wearing cycle helmets;
- Pedestrian safety;
- Be safe be seen
- Not causing a distraction when travelling in a car
