'We must always walk in the presence of the Lord, in the light of the Lord, always trying to live in an irreprehensible way'

- Pope Francis

Year 5

This has been a busy week for Year 5. On Thursday, they went to visit St Mary's for a taster Day. The children took part in different activities including science and RE. They were very excited to use a microscope! They had a wonderful, well-organised day and their behaviour was exemplary.

Friday was chocolate making day. Bruce and Graeme (who have links to The Fig Tree at Garstang) came to teach Year 5 how to make chocolate from bean to chocolate. They held a whole school assembly teaching children about Fair Trade, how to spot a Fair Trade item and how it benefits farmers in some of the poorest countries. The children then made their chocolate and finally learnt about some of the Ghanaian culture.

FAIRTRADE

We have some little visitors in school at the moment. Please check your child's hair, thank you.

We now have a date for our Section 48 Catholic Inspection - Friday 24th June. Two inspectors will be in school, all day, looking at different RE lessons, Prayer and Liturgy and speaking to children, staff and Governors. Thank you to everyone who took the time to complete the parent questionnaire; they have now been forwarded to the Diocese.

As always, we thank you for your continued support

Please pray for our school community.
