Inspirational Quote:

"Yesterday is gone. Tomorrow has not yet come. We have only today. Let us begin. Take it a day at a time." by Mother Teresa

Ukraine Day

Around the country, schools were asked to take part in Ukraine Day on 16th March. As we had already organised Wednesday this week as a non-uniform Day for Young Carers, our Ukraine Day will be held on **Friday 25th March**.

Pupils are asked to wear blue and yellow and donate £1, to raise funds. We would like to increase the £1 voluntary contribution to £2 if possible. We will provide a cake for your child to eat at breaktime; your children will decorate the cakes in the traditional blue and yellow colour in class during the morning.

Goodbye to Mrs Dale

Tomorrow, we say goodbye to Mrs Dale. Mrs Dale has worked at St Bernadette's for 8 years as a Teaching Assistant in many of the Year groups. I am sure the children and parents will still be able to say 'Hello' to her as she is a large part of St Bernadette's parish. We wish her luck in her new adventures.

Multisports Event

Children from Years 1 and 2 participated in a multisport event on Friday 6th March with schools from around Blackpool. The children were involved in a variety of activities, including the Speed Bounce, High Stepper and Triple Jump. All the children enjoyed being a part of it, showed great sportsmanship and performed really well.

Lenton Service

Blackpool Family of Schools Present– The Passion of Christ

St John Vianney Church– Tuesday 29th March at 6pm

Our school choir will represent St Bernadette's School. Everyone is welcome.

BIRTHDAYS

Congratulations to Hannah Bullion in Year 1 who has celebrated her birthday this week.

We hope she enjoyed her day!

MASS TIMES AT ST BERNADETTE'S CHURCH

Saturday Evening5.00pm

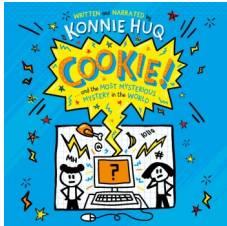

Sunday Morning..... 10.00am with Children's Liturgy

Science Week

Winners of the Sciathalon Event—Congratulations!

Freddie, Samuel, Lyla and Gracie-Louise in Year 6 represented St Bernadette's at the Sciathalon at Blackpool sixth form college on Monday. The Sciathalon consisted of two practical science challenges—one about plastics recycling and one about renewable energy. St Bernadette's went into the afternoon session knowing that they had a good chance of coming in the top three schools. It was clear throughout the day that they had worked methodically through each of the challenges and they always listened to and discussed each other's ideas. The quiz in the afternoon was based on the National Curriculum, with a few twists, which went well for the children. At the end of the day, the children were presented with certificates, a small trophy each and a £10 Amazon gift voucher as the 2022 winners of the Sciathalon. They will receive an invitation later in the year to attend a ceremony to collect their trophy.

Konnie Huq Event

On Friday 6th March, Year 5 were given the opportunity to visit St Mary's as part of science week. They met author and former Blue Peter presenter Konnie Huq, as she talked about her books and the main character, Cookie, who loves science. They watched as she drew some of the characters from the stories and did some experiments. The children asked questions and had their photograph taken with her. The children all then received a signed copy of her book, 'Cookie and the Most Mysterious Mystery in the World'.

Science Competition

Winners of the science competition organised by Miss Scarlett were:

Arlo and Mya in Reception, Harini in KS1 and Lily, Maisie and Teighlor in KS2.

The children had to create a poster, card or video that looks at energy and how we can clean up our planet.

Well done to all of you!

Congratulations

Head Teacher's Award-Year Group of the Week.

This week, it has been presented to Year 2. I have been particularly pleased how the children care for the Reception class outside and support them to put on their coats ready to play. They have completed some thoughtful Lenten promises in RE and shared their understanding with me. It is super to see the learning taking place in Year 2; lots of adventurous language in their story writing and they certainly rose to the challenge I set for them in their Maths work.

Superstars Year 2!

Dates for your Diary:
