Balloon and Yeast Experiment - Year 6

This week, Year 6 have asked the question 'Is yeast a living micro-organism'? Their experiment involved blowing balloons up using plastic bottles and yeast. They were amazed by the results!!

Polite Reminder

Please can I remind parents to discourage their children from bringing toys, especially fidgets and personal items into school. Things can be easily misplaced, broken or if not checked, may hurt another. Thank you for support, Mrs Satterthwaite.

What a busy week they have had in Reception! The children are enjoying their phonics sessions and are working hard on their letter formation. They have had lots of different phonics activities, which the children have engaged with well. They went on an autumn walk outside, collecting leaves and discussing the changes they could see, when the rain came pouring down. The children took the opportunity to put on their wetsuits and wellies and make a big splash! Fantastic, Reception Class!

Harvest Festival led by Year 2, Tuesday 17th October in the school hall at 2:40pm.

Please can all items of your child's uniform be clearly labelled with their name. This will make it more likely that any lost items will be returned to your child. Thank you.

Look out for a text or email next week that will contain a link to book an appointment for November Parent Conferences!
